- ✓ Are you registered with The Co-operative Bank for Intermediaries? If not please register/re-register by visiting **intermediary.co-operativebank**. Before completing this application, please check:
 - ✓ Customer eligibility.
 - ✓ Check whether your client has partly or fully repaid their HTB loan. If so, you will need to submit proof of this from your client, via the Homes & Communities Agency, in order for us to update our records.
 - ✓ Customer affordability.
 - ✓ Check you have your client's existing mortgage account number. It can be found on your client's annual statement, initial completion letter or more recent product maturity letter. This will be an 8 digit account number beginning with 3.
- Whether you require further documentation such as a recent payslip and Bank statement to be enclosed with the application.
- ✓ Whether your customer requires a revaluation. Please note that your client's Loan to Value (LTV) and eligible product range is based on the higher of the last valuation we hold for your property, or an estimate based on the House Price Index (HPI) valuation. You can also provide an estimated value in the section below. In which case, you should choose your client's required product using the revised LTV based on your new estimated valuation. There may be a charge for a revaluation.
- ✓ Whether your client's circumstances have changed recently and we have not been informed, e.g. name, residential address, terms of the mortgage repayment of HTB loan. If so, these changes will need to be completed prior to the product switch.
